## COMMUNITY SUPPORTED AGRICULTURE

AT

## MAYSIE'S FARM CONSERVATION CENTER NORTHERN CHESTER COUNTY, PA

IN OUR CSA'S TWELFTH SEASON, WE ARE PRODUCING ORGANIC VEGETABLES ON 7 ACRES OF BEDS FOR SOME 200 HOUSEHOLDS, A NEW FARMERS MARKET WE STARTED, AND A FARM AND SCHOOL PARTNERSHIP.

AS CREATORS OF "SAITA", THE "SUSTAINABLE AGRICULTURE INTERNSHIP TRAINING ALLIANCE" OF SOUTHEASTERN PA, WE OFFER OUR INTERNS REGULAR WORKSHOPS AND SEMINARS. WE ALSO PROVIDE HOUSING, FOOD FROM THE GARDEN AND A STIPEND.

WE ARE A NON-PROFIT EDUCATIONAL CONSERVATION CENTER DEDICATED TO IMPROVING PUBLIC UNDERSTANDING OF THE IMPORTANCE OF CONSERVATION AND ECOLOGICAL THINKING BY DEMONSTRATING COMMUNITY SUPPORTED AGRICULTURE AND ADVOCATING FOR A LOCAL, SUSTAINABLE FOOD SYSTEM.

AS CONSERVATIONISTS, EDUCATORS, AND FARMERS, WE OFFER A HANDS-ON EDUCATIONAL OPPORTUNITY TO LEARN HOW TO GROW GREAT VEGETABLES, HOW TO IMPLEMENT COMMUNITY SUPPORTED AGRICULTURE AND HOW TO PROMOTE THE CONCEPT:

## THINK GLOBALLY, EAT LOCALLY
